BANNERUP® PLUS IN SHORT

BannerUp® Plus takes just moments to assemble, so you create a big visual impact quickly. The roll-up system consists of an extra thick aluminium body and a roller mechanism that is extremely rugged and built to last. The graphic banner is carefully protected in the metal cassette when not in use and is quickly swapped and replaced with new graphics in no time. Each stand is built for thousands of pull-ups and everyday use, outlasting cheaper knock-offs by years.

We are proud and stand behind this roll-up banner stand with the best warranty in the industry, 10 years, and no questions asked.

BANNERUP® CABRIO – A ROLL-UP WITH FULL POSSIBILITY TO CUSTOMIZE

BannerUp® Cabrio is the first retractable banner stand with interchangeable logo plates, which makes it the first roll-up specifically designed for branding.

Quickly and easily change the style and colour of your cassette to exactly match your banner graphics, or enhance your brand identity with custom-printed plates. Add decals or full vinyl wrap to the plates for a totally unique Cabrio effect. The standard Cabrio model is fitted with a fabric-friendly top snap rail and the stand comes in a padded carrying bag.

MULTIMASTER® – MASTERS MULTIPLE CHALLENGES

Vertical or horizontal, single or double-sided, extra tall or extra wide – MultiMaster adapts to all large format graphics with ease. Also, multiple stands can be used side by side for seamless, extra wide graphics.

Thanks to its tripod base the stand has excellent stability and the message can be lifted from the floor for perfect visibility. The standard carrying bag uses an inner tube to carefully protect the stand and graphics.
