More Revenue and Satisfaction

WHY DIGITAL

The screens placed in your spaces will bring you:

- **Power of “Moving Pictures”** – Videos attract attention and tell stories i.e. transfer emotions and explain details
- **Show more & at the right time** – Single screen can show various messages and change them during time – in the morning, at the weekend, if it’s raining and other common situations
- **Speed** – From idea to content displayed everywhere in minutes, not weeks
- **Interactivity** – You can provide visitors with much broader content e.g. access to the whole e-shop or to get instant feedback...when you are ready for that.

EASY

Ready to use sets with professional screens ready for 24/7 operation, play your images and videos easily from USB drive, simple “Step by Step” manual included, with default Wi-Fi connectivity
Screen covers only can be provided suitable for screens of various vendors

PRACTICAL

- **Elegant & durable** – safety tempered glass or plastic cover and heavy duty aluminium or steel construction
- **Universal** – screen models of various vendors supported
- **Customizable** – individual colors, combination with brochure holders and other products

EXTENSIBLE

- Products are ready for further enhancements:
- Central content management
 - Touch functionality
 - PCs, players, LTE modems and other accessory can be securely and easily placed inside
